Dear Dr. Hutt:

To yours of the 10th: Thank you very much for your consideration.

Perhaps I'm taking the matter too seriously, and I don't want to prolong a tempest in a teapot, but I don't see how you can elect a "policy committee" on a post card ballot. In the circumstances, I would prefer to decline.

May I suggest that an alternative vote be recordable: to discharge the committee now.

Yours sincerely,

Joshua Lederberg
Professor of Medical Genetics
